

Declaration of Performance

No. HB-DOP-0020

1. **Unique product identification code:** Firehatch Temperature EI120
2. **Type number:** Temperature EI120
3. **Intended use:**
Fire protecting hinged leaf shutter for fire compartmentation on belt conveyor systems
Max. opening width 1750 mm
Max. opening height 1350 mm
High and low density rigid supporting construction
4. **Name and address of manufacturer:**
Hoefnagels Fire Safety Holding B.V.
Zevenheuvelenweg 50
5048AN Tilburg
The Netherlands
5. **Name and address of representative:** N/A
6. **In case of the declaration of performance concerning a construction product covered by a test standard:**

Notified product certification body EFACTIS France, No. 1812, performed the determination of the product type on the basis of type testing (including sampling).

7. Declared performance:

Essential characteristics	Performance	Technical Specification
Resistance to fire (for fire compartmentation uses):		
E	120	EN 1366-7:2005
El ₁	120	
El ₂	120	
EW	120	
Smoke control	NPD	
Ability to release	released	EN 1366-7:2005
Self-closing	C2 (10.000 cycles)	EN 1191:2012

NPD = No performance determined

8. The performance of the product identified in points 1 and 2 is in conformity with the declared performance in point 8.

This declaration of performance is issued under the sole responsibility of the manufacturer identified in point 4.

Signed for and on behalf of the manufacturer by:

R.C. Hoefnagels, Director

Tilburg, 13-1-2025
